Susan,

While we are still waiting on the full deployment package, I wanted to give you a heads up that we have two OSCs from R8 and R10 ready to head down this evening or early tomorrow. We are having to coordinating with FOH on vaccinations for all positions and also need confirmation of lodging (hotel), which we assume will be in the deployment package. Confirmation of LNO positions is still being processed and so we will provide an official head count from the R8-10 Team by mid-day today.

Also, R10 volunteered to serve as the Team spokesperson for R8-10 and so you will be hearing from me or another R10 member regarding the status of deployments from the western Regions.

Hope you all are hanging in there.

Calvin
